Dear Claire

It was lovely to meet you and your fellow band members last Thursday in the grand environs of Farnham Castle and I wanted to add my thanks to you all for sponsoring such wonderful and fun entertainment at our Rose Tea Party. Our guests thoroughly enjoyed themselves and even I found myself wanting to dance!

It is only with the generosity of spirit of people like you that enables us to carry on our vital work supporting those in need in this country and for this I sincerely thank you.

With all good wishes.

Yours sincerely

*Kathleen Grade.*
